Dear Volunteer:

Thank you for your important contribution of time and energy at our 4th Annual Festival at Harbor Park on the 14-15 August 09! This year's event was the best ever, even considering the bad weather we had that Friday. In any event, it would not have been possible without your dedication. The services you provided proved to be a tremendous help to us.

I am, however, interested in your thoughts/feedback of the event and how things were executed that would allow us to improve upon them in time for next year's event.

Once again, allow me to express my personal appreciation and thank you for your time. We hope you will continue to support our organization's activities in helping us bring awareness of the Caribbean culture across the Hampton Roads area.

Everyone involved in the event and its planning appreciates your contribution.

Blessings,

Michael C. Forde,
President, VCACA Inc.
